Dear Parents,

Our strong working partnership will be paramount to your child's success this year. Knowing that you're keen observers of your children and are our best sources of information, we're asking that you take a moment to share some with us. Yes, you have homework. ☺ Please note that this document is available in Word format at Mrs. Wolfe's website under parent resources. **The-wolfe-web.com**. My email address is also listed on the site if you'd like to send it back as an attachment rather than sending it via backpackmail. Thank you for your time and attention.

1. Child's name _____
2. Parent and student email addresses. **It would be helpful if you would put the first and last name of the person that each address belongs to.**
3. Please describe your child's academic, social, and/or emotional strengths.
4. Describe any of your child's areas of need as you see them.
5. What goals/expectations do you have for your child's fifth grade year?
